Brilliant Solution

Z-Tread UHS Floor Finish

With 20% solids, this high-gloss floor finish is designed to deliver a wet look with weekly ultra high speed burnishing. It goes on fast and dries quickly, giving floors a consistently brilliant shine.

Benefits:

- Easy application & rapid re-coat
- Low maintenance
- Excellent burnish response
- Resists scuffs and heel marks

Applications:

- Restaurants
- Grocery stores
- Airports
- Schools

Directions for Use:

For best results, strip all old finish using Z-Tread Heavy Duty Floor Stripper. Rinse thoroughly. Allow floor to dry. Apply 4 thin coats of Z-Tread UHS Floor Finish. Allow floor to dry thoroughly between coats; 15 to 20 minutes under normal conditions. If sealer is desired or required because of a porous substrate, apply 2 coats of Z-Tread Floor Sealer and 3 coats of Z-Tread UHS Floor Finish. Floor finish is maintained by frequent dust mopping and daily damp mopping with Zep Neutral Floor Cleaner. Keep floor dust-free. Maintain by dry burnishing with a beige pad and a Zep Model 20 Ultra-High-Speed Burnisher or a Zep Propane Ultra-High-Speed Burnisher. Optimum results are obtained if burnished 2 to 3 times a week. Z-Tread Burnish Restorer can be used up to once a week to enhance burnish response.
