Ultra Purity

Electrical Contact Cleaner

A non-flammable, non-conductive cleaner for electronic components. Removes oils, dirt, flux and moisture from surfaces and evaporates quickly without leaving a residue. USDA applicable.

Benefits:

- Non-conductive solvent evaporates rapidly for quick cleaning of electrical components
- Quickly cleans sensitive electrical equipment without causing harm to materials
- Non-flammable, non-conductive solvent for increased safety of use
- Contains no ozone depleting compounds, CFC's, or HCFC's
- Meets requirements of all State and Federal VOC regulations

Applications:

- Airports/aviation services
- Automotive repair shops
- Electrical services
- Heavy equipment maintenance
- Printing industry
- Service stations
- Small engine repair
- Telecommunications

Directions for Use:

Test on materials prior to use to assure compatibility. Turn off electrical equipment and circuits before using this product. Spray 4-6 inches from surface to clean. Clean parts from top to bottom to flush away soils. Use extension tube for hard-to-reach areas.

Specifications:

Physical Form	Aerosol, thin liquid
Odor	Solvent like
Propellant	Hydrocarbon
Can Size	20 fl. oz.
Specific Gravity	1.24
Storage Temperature	32°F-120°F
Flammability (CSMA)	Non-flammable
Shelf Life	1 year minimum
D.O.T. Shipping Label	ORM-D

Packaging Information:

SKU	Package Quantity	Weight (lbs)	Length (")	Height (")	Width (")
R10801	12-20oz cans/case	23	11.50	10.00	8.60

Safety:

Please make sure you have read and understand the product label and MSDS before using this product. MSDSs are available at www.zepprofessional.com. Avoid breathing vapors, spray or mists.

Use only with adequate ventilation. Keep container closed. Wash thoroughly after handling. Wash contaminated clothing before reusing. Observe label precautions.
